

SPAIN SUMMER CUP 2011

LLORET DE MAR (SPAIN) 25 June – 1 July 2011

Lloret de Mar is situated in the southern part of the Costa Brava, 70 Km away from Barcelona. This former fishermen's village covers 48 square kilometres, and has five main beaches along a 7 Km of coastline. Its beaches have been awarded the blue flag by the EEC, bearing witness to the perfect state of beaches in terms of quality of the water, sand and services provided. The history of Lloret goes back to the third century BC throughout that long history, though being a dynamic and modern tourist town, Lloret has managed to sustain its personality and preserve those distinguishing traits and traditions that only the passage of time

can instil. In addition to the broad range of services, there are also cultural, architectural and natural attractions, and all these, along with the two historic villages dating back to the Iberian period, make up an overall package of meeting diverse and demanding requirements.
